1. A booking fee of \$200.00 of the above fee is payable and the Chute Fee of \$\_\_\_\_\_ is payable with written execution of this contract and the balance of \$\_\_\_\_\_, plus all unpaid ranch, veterinary, and farrier expenses will be payable upon receipt of an invoice or when the Mare leaves the ranch, whichever is first. The Breeder requires 48 hours advance notice when the Mare Owner wishes to remove his/her Mare from the ranch. This will allow sufficient time to prepare the required health papers and final statement so the Mare Owner may settle his/her account. This contract is governed by the laws of Warren County and the State of Kentucky.
2. A photostatic copy of registration papers (both sides), a veterinarian's health certificate, and a current (within 12 months) negative Coggins test shall be furnished upon delivery of Mare. Upon arrival all mares will be wormed, and vaccinated by attending veterinarian at Mare Owner's expense.
3. The Mare Owner agrees that each Mare offered for breeding is in sound breeding condition and free from infection and disease. Any Mare certified by the attending veterinarian not to be in sound breeding condition shall not be bred. The Mare Owner may substitute another Mare, agreed upon by both parties, within the breeding season. A substitute Mare agreement form must be signed by both parties before breeding can occur on substitute Mare.
4. The Breeder agrees to diligently try to settle the above named Mare and shall have sole discretion of determining the best method of breeding such Mare. If, however, the Mare does not settle, the Breeder shall be held harmless. There is

- no live foal guarantee for any Mare leaving *Twin Oaks Farm LLC*, prior to being checked safe in foal by attending veterinarian.
5. Live foal guarantee: Live foal means the foal shall stand and nurse. It is understood that should Mare prove barren, abort her foal, or if the foal is stillborn, a return season will be guaranteed the following year only, providing notification is given. Proper notification shall be defined as follows: Written certification by licensed veterinarian within seven (7) days that the Mare has aborted or produced a non-viable foal. Mare Owner certifies that such abortion or death did not result from any act or omission of the owner subsequent to the Mare's departure from *Twin Oaks Farm LLC*. Booster pneumabort rhinopneumonitis vaccinations must be administered as indicated by the individual drug manufacturer as the Mare progresses through her pregnancy. Failure to do so will void live foal guarantee.
  6. Should a Mare fail to conceive or not produce a viable foal and rebreeding the following year becomes necessary, a \$250.00 chute fee will be charged. No live foal guarantee on the third year rebreeds.
  7. The Mare Owner agrees that the Mate is halter broke and safe to handle. Mares that are not halter broke or behave in an ill-tempered manner will not be bred. Mare Owner may substitute another Mare agreed upon by both parties.
  8. The breeding season in force of this contract shall begin February 1<sup>st</sup> and close July 15<sup>th</sup> of the year covered by this contract.
  9. It is agreed that should the above named Stallion die or become unfit for service, the Mare Owner may breed to another Stallion on the farm upon mutual agreement of the Mare Owner and Stallion Owner. It is further agreed that if the above name Mare dies during the breeding season, the Mare Owner may substitute another Mare agreed upon by both parties.
  10. A breeder's certificate will be issued to Mare Owner after all ranch, veterinary and farrier expenses have been paid in full and upon notification of the birth of the foal.
  11. Waiver of liability. It is understood that *Twin Oaks Farm LLC*, owners, Stallion Owners, employees, veterinarians, farriers and guests shall not be liable for any injury, escape, disability or death of any horse on it premises.
  12. A 6% sales tax applies to all Stallion fees and Chute Fees if participating in the Kentucky Incentive Fund Program.
  13. This contract is not valid unless completed in full. When Mare Owner signs and returns contract and booking fee to Breeder, Breeder will notify Mare Owner

within 10 days of approval. Upon notification, it will become a binding contract on both parties, subject to the above terms and conditions.
